Dear Sir,

I would like to take this opportunity to thank you and the VRA for the assistance given during my phase of the operation at Thredbo.

The members of the VRA acquitted themselves in a professional manner during a prolonged and difficult operation.

Of particular significance was the services and professionalism displayed by Mr. Harvey Black who in his particular style contributed to the success of the operation. As usual it was a pleasure to work with Harvey.

I look forward to our continued association.

Yours sincerely,
